東海大學國際學院國際經營管理學位學程必選課程實施方式

113 年 06 月 03 日國經學程課程委員會通過

一、課程規範 Course Requirements：

必選課程非必修課程，但必須修習且不得學期間申請退選或停修，須有學期成績始能畢業。若課程不及格，學生不須重修。

Required elective courses are not the same as required courses. Students must take and receive a grade for required electives to graduate, but they do not need to retake a failed required elective course.

二、選課程科目內容 Required Elective Courses：

三年級上學期 Junior Fall：Research Methods (3 credits)

三年級下學期 Junior Spring：Research Project (3 credits)

*若已修但未通過 Research Project，可修習四上 Seminar Project 一般選修課程

Students who have not passed the Research Project may take the Seminar Project regular elective course in the senior fall semester.

三、Research Project course 規範：

1. 專題主題：包含學術研究、管理實務等。

   The project topics include research, and business practical.

2. 學生分組：請於三年級上學期確認主題、指導老師與組員，人數: 4-5 人。

   Students should form groups of 4-5 members by the fall semester of their Junior year.

   (1) 於三年級上學期期中考周前繳交指導教師確認書。

   Students must submit a confirmation form with their research project adviser's signature by the midterm week of the fall semester of their junior year.

   (2) 逾期未交或未取得教師簽名之組別，將由學程主任輔導學生尋求指導教師，學生不得有異議。

   For groups that fail to submit the form or obtain an research project adviser's signature, the Program Director will assign an adviser, and students cannot object to this arrangement.

3. 學分認抵：

   限「雙主修」、「雙聯學位」、「國際學院實習」、「姊妹校交換」已修習課程可申請替代 Research Project 課程，須遵照並符合本校與學程相關課程學分認抵規定才可申請，並須提前與國經學程辦公室確認。

   Students want to substitute the Research Project course with a double major, dual degree program, IC internship, or exchange program. In that case, they must follow the relevant credit transfer regulations of Tunghai University and the IBA program, and contact the IBA office in advance to apply.

4. 成果規定：小論文並須依照論文格式印製及繳交精裝版論文予系辦。

   Students must submit a research thesis and follow the thesis format to submit the thesis (hard cover) to the program office.

四、其他未盡事宜，依本校相關規定辦理。

All other matters not covered here shall be handled according to the relevant University regulations.
